

FOUNDATIONS 14 represents a new paradigm in Christian conferences

If you are fed up with ZOOM, then read on ...

Rather than being JUST ANOTHER ZOOM conference it is a brand new model for conferences that COULD ONLY WORK IN ZOOM – even if a physical conference centre were available, it would not work with F14 – rather than fitting an existing model (old wineskins) into ZOOM, this is a new model (new wineskins) that has been created specifically for a ZOOM environment

But it is NOT a ZOOM conference as you have seen elsewhere. All you have experienced up to now (even to a degree with F13) is a physical conference streamed to your device, with perhaps a bit of interactivity thrown in for variety – no wonder you are not so prepared any more to put up with hours sitting in front of your screen hearing people preach at you without having the advantage of at least being in the same room as them!

FOUNDATIONS 14 is a MILLION MILES away from this!

- No teaching slot will be for longer than 10 minutes, allowing for single teaching points to be expressed and examined
- There is full interaction – questions, comments and testimonies – at all times
- There is NO SCHEDULE – the whole conference will be directed through leading from the Holy Spirit
- The purpose of the conference is not just to feed minds, but particularly to impact hearts, so that we can be empowered for acts of service in a World that desperately needs an effective Church!
- Monday and Tuesday will be led through facilitators, not teachers, allowing maximum flexibility. In turn the facilitators will be guided by the team, making it a group effort
- Most content will be pre-prepared but not necessarily used – following the Morecambe-Previn principle (“All the right notes ... but not necessarily in the right order”)
- Some content/testimonies will be fresh and unexpected, as the Holy Spirit blows where He wishes!
- All content providers are trusted Foundations Bible teachers and the Bible is central to everything that happens
- There will be breaks for reflection, prayer, praise & adoration – all directed by the Holy Spirit
- The purpose of this format is for all of us (including our team) to go on an individual journey. It will be different for all of us; some may wish to interact fully, others may wish to remain anonymous.
- Wednesday is a free day – no teaching – provision will be made for worshipping God or private meetings to discuss and to pray and to deal with issues
- There will be optional workshops on Wednesday (and Thursday)
- The programme on Thursday will unfold totally dependent on the needs of the delegates as perceived by the team
- On Friday we will celebrate and rejoice over the breakthroughs that there will have been. Praise God!
