#### VISION

We are a group of ordinary Christians who are fed up with much of what we see around us in the mainstream Church and think it's about time that we returned to sound Biblical teaching and thinking. Our conferences are not like any other - we believe that Christian gatherings should be times of real fellowship, real growth and real joy, underpinned by authentic teaching and true worship in mind, body and spirit. *Foundations is different - it breaks the mould of Christian conferences*.

#### PAST CONFERENCES

#### FOUNDATIONS 1: "Calling all Pioneers"

In January 2012 we held our first conference, Foundations 1. It was held over a weekend, also at Quinta, and attracted 55 people. It was a roaring success and the vast majority of delegates voted for more and more conferences.

Here are some comments ... brill weekend ... when and where is the next one? ... God is doing a very special thing ... a great God-inspired idea ... a new way of seeing things ... being part of something new and significant ... I was very blessed ... the presence of the Lord was very much in evidence ...

#### FOUNDATIONS 2: "Holydays - holidays"

130+ people came to Quinta for 5 days in October. We knew that God was going to do something special when we saw the rainbow over the conference hall, just before the start of the conference. Here are some comments from delegates:

"Just wanted to say a GREAT BIG thanks to you both for a brilliant conference! You have all worked SO hard to give us all a wonderful feast of knowledge and information and so much more! It was so full of variety and thought-provoking stuff! What wonderful value for money!! Bless you both"

"Great job with the conference, really great job. Hope you know how good it was and that you're feeling encouraged."

"... the very important pioneering role that has been made to getting the conference off the ground in the first place. What I liked most was the opportunity to meet with like minded people and especially their desire to impart what they had learned to others. Learning about the other ministries was also helpful and inspiring ... overall I was really encouraged by the desire to put into practice what we have learned through reaching out to the Christian constituency as well"

#### FOUNDATIONS 3: "Church: Lost & Found"

"At the Foundations 3 Conference they opened up the worship time so that anyone could share ... People from the congregation freely shared from Scripture – the Prophets, and Psalms, some chose to sing, dance, speak gentle words of encouragement, and sharing in various ways. It reminded me very much of the simple house church setting we attended many years ago, and brought back some sweet memories of deeply loving and loved brethren who are now with the Lord ... I encourage Christians of all churches and denominations to come and meet these folk. ... I enjoy these times of teaching and fellowship immensely. There were a number of new faces at Foundations 3, and I pray we will see even more at Foundations 4. Support for this work...this movement, needs to grow until it reaches the whole nation, and then out to wherever the Spirit of God takes it, building on the foundation of love as laid down by our Lord Himself. "By this shall all men know that you are my disciples, if you have love one for another." (John 13:35; cf John 17). 'Foundations' is as much about the walk as it is about the talk. (Malcolm Baker)

#### **FOUNDATIONS 4:** "The Bishop's New Clothes"

100 people came to Quinta for 5 days in June 2013 for a varied programme including 11 teachers, 4 book/Bible launches, workshops for tennis, scrabble, dance, worship and advocacy, a countryside walk and a lively Simchat Torah celebration:

#### **FOUNDATIONS 5**

#### The week will include:

- A balanced week to feed the mind, body and spirit, also realising that these are precious times of fellowship and new relationships.
- The Theme is *the Word & The Spirit* and we will explore this in a number of ways, with thematic Bible study, worship workshops, expositional Bible teaching, a Pentecost/Shavuot experience and wherever else the Lord may lead us.
- Main teaching on The Word & The Spirit is by Chris Hill, with Bible teaching on The Book of Ruth by David Andrew, a Powerpoint presentation on God's Blueprint by Steve Maltz. All worship workshops/seminars will be led by Jo Jones.
- Steve will be launching his new book, *God's Blueprint*: what the Old Testament tells us about its Author and its cast of thousands. This book will explore themes of the Hebrew Scriptures and Steve will be using the material in a 3-part presentation covering the whole story, from Genesis to Malachi
- Either just soak in the discussions and teaching, or bring your gifts and knowledge and take a more active role. Then there will be opportunity to learn new skills in our daily workshops. Expect the unexpected as the Holy Spirit leads us into exciting places. There will be many opportunities for sharing.
- Come as an individual or a church group and benefit from mixing with like-minded Christians from a variety of fellowships.
- Plenty of time for prayer, reflection, discussion, games and sport, or just chilling out, making use of the variety of indoors and outdoors facilities available at Quinta.
- Workshops could include dance, drama, preaching, worship, web appreciation, advocacy, spiritual gifts.
- Celebration of Shavuot (Pentecost) the Festival of the Word and the Spirit in a unique, interactive and immersive way.
- Christian resource tables from a variety of ministries in the main conference room.

#### WHO IS ...?

#### **Chris Hill**

#### **David Andrew**

David Andrew is the Editor of Sword, an evangelical magazine which seeks to 'restore the confidence of God's people in the Word of God and the God of the Word'. Jo is a singer-songwriter who leads worship with a prophetic edge and who can "not only craft a worship song or praise anthem but sing one with gritty passion". Formerly a recording artiste at Kingsway (as Jo Puleston), she now works in the medical profession but finds plenty of opportunities to write and perform her music and lead worship in her inimitable style. She is married to David Jones and lives in Manchester. More at <a href="https://www.littlebluestudio.co.uk/">www.littlebluestudio.co.uk/</a>.

#### OTHER THINGS YOU MAY WANT TO KNOW

- Hopefully you'll agree that the cost of the weekend is very reasonable. One reason is that Quinta is a tad more basic than other pricier Christian conference centres. Although some rooms are ensuite, most are not, though all have basins. Also you'll have to bring your own towels and soap and bed linen (though that can be provided by Quinta for a £6 surcharge). Having said that, the standard of cleanliness is very high, the staff are very responsive and the facilities in the conference centre include a pool table and table football! (There's also an outside pool for the warmer times of the year).
- Quinta is usually inhabited by Church groups or youth groups, which means that the
  bedrooms are arranged accordingly. This means that many rooms have double and
  single beds, even bunk beds in a few cases. This gives us a unique challenge as we
  will be folk from all over the place who in most cases will not know each other. Yet
  we need to fill up the bedrooms in the most efficient manner. So ...
  - Married couples in a double or twin room will not find themselves sharing their room with any others (unless they have other family members who don't mind sharing that would certainly help us!)
  - If you are coming with friend(s) (of the same sex), expect to be sharing a room with them (in single beds!)
  - If you are coming by yourself we would ideally need you to share a room with a stranger, although we will take age and compatibility into consideration, according to the information you send us. If this is a REAL problem then we can accommodate a small number in their own rooms, but there will be a single room supplement of £45 to pay.
- If you plan to come by public transport, the nearest station is Gobowen, which is about 3 miles away. There are regular trains to Gobowen from Birmingham, Cardiff, Shrewsbury, Chester and Holyhead. More at <a href="http://ojp.nationalrail.co.uk/service/ldbboard/dep/GOB">http://ojp.nationalrail.co.uk/service/ldbboard/dep/GOB</a>. Free shuttle service available from station arrange with us beforehand!
- If the costs of the conference are a bit high for you particularly if you are coming as a family or a church group there are some lower-cost options, involving the availability of cheaper accommodation in the grounds for small groups or families. Please enquire we would love to see these rooms filled and are sure we can offer them at an affordable price.
- We are also happy to provide concessions, a result of some volunteers assisting in a small way at lunch and refreshment breaks (very good bonding exercise very Hebraic!). This allows us to qualify for catering discounts and pass on all savings into a bursary fund that we can use to provide concessions to some of you please do not be afraid to ask about this we are reasonable people! In short, we don't want money to be an issue if you feel God calling you to come to the conference. We ask you to pray about these things so that we can get this to work without causing financial problems for ourselves!
